★ PREMIUM BUYER · 4-PARTNER APPROVAL

CMO Premium variant — Sarah's bigger sister: **David Test** · 12-attorney firm · \$35,880/yr.

Parallel run of the sales motion, this time for a CMO Premium buyer. David Test runs a 12-attorney, 4-city firm and bought the \$997 AEO Audit two weeks before the discovery call. Same 8-stage funnel, but stage 6 becomes a synchronous proposal call with 4 partners, the sales-director takes stages 2–4, and the deal closes at \$35,880 year-1.

What's different vs. CMO Standard

Same 8 stages, different ownership and rhythm. Premium swaps two stages and adds 4-partner co-signature.

Dimension	CMO Standard (\$1,490/mo)	CMO Premium (\$2,990/mo)
Stages 2–4 owner	Carlos (CEO) personally	sales-director agent leads · hands off to Carlos at Stage 4
Stage 5 (Proposal Sent)	Async PDF send · client reviews alone	Same · but client typically forwards to other partners
Stage 6	Negotiation (async email back-and-forth)	Proposal Call — synchronous 45–60 min walkthrough with all partners
Engagement letter signatures	1 (managing partner)	Up to 4 (all partners co-sign)
Content pieces / month	8	20
Video deliverables	Not included (add-on)	4 short-form videos/month included
AI SDR seats	1 shared seat	2 dedicated seats for senior partners
Voice AI screening	Not included	24/7 included
Strategy call cadence	QBR only (Day 90)	Monthly synchronous call + QBR
Termination notice	14 days after Day 90	30 days after Day 90
Typical cycle	7 days inbound→won	14 days inbound→won
Win rate	~38%	~52% (audit pre-qualifies)

Why the higher win rate for Premium: Most Premium buyers walk in pre-qualified. They've already paid \$997 for the AEO Audit, read the 18-page report, and seen NWM's analysis quality. They arrive at the discovery call ready to talk pricing, not "what is AEO."

New Lead — paid the AEO Audit first

TRIGGER · STRIPE CHARGE FOR AUDIT

David bought the \$997 AEO Audit on 28 April after reading /aео-agency.html. He came in via organic search — a real prospect doing his homework. The 18-page audit was delivered within 48 hours and showed his firm scoring 14/100 vs. 67 for the top competitor. This is when the upgrade conversation gets serious.

CHANGE · SALES-DIRECTOR AGENT LEADS

Two days after the audit drops, David schedules a call with the **sales-director** agent (not Carlos directly). The agent confirms BANT — David is the managing partner, firm has \$4M revenue, marketing budget is loosely defined but real, decision can be made by the partnership in 1–2 weeks. Carlos is notified asynchronously.

Marketing department for Test Premium Law Group

Prepared for **David Test**, Managing Partner · 12-attorney multi-practice firm · 4 cities

BUILT ON YOUR \$997 AEO AUDIT (28 APRIL)

This proposal addresses every gap surfaced in the written audit — and the \$997 credits forward to month 1.

PREPARED BY

1 · What we heard (discovery call, 4 May)

Test Premium Law Group is a 12-attorney firm across 4 cities. Five bottlenecks surfaced from the call & AEO audit:

1. **Intake is fractured across 4 offices.** Each office handles inquiries differently. Conversion from inquiry to retainer varies 12% → 28%.
2. **AEO citation gaps in 5 of 6 practice areas.** Audit showed firm appears in ChatGPT for only one practice area in one city — competitors dominate the rest.
3. **No senior-partner SDR coverage.** Two senior partners want their own inbound lead pipeline they can hand off — currently they manage personally.
4. **Paid ads are off.** No Google Ads. No Meta Ads. Competitors are spending \$40k/mo combined in the target markets.
5. **Referral nurture and CLE content are siloed.** No system connects past clients to referral asks or thought-leadership distribution.

2 · What you'll get — CMO Premium scope

STRATEGY & REPORTING (PREMIUM)

- Monthly CMO report + **synchronous monthly strategy call (60 min)**
- Quarterly business review with all partners (90 min)

- Schema markup audit + monthly maintenance

- 5-minute intake automation across all 4 offices · routed by case-type + geography
- WhatsApp business setup + 30 templates (intake, scheduling, follow-up, post-case)

5 · Revisions in this v2

This proposal incorporates three clarifications from the 8 May proposal call:

1. **Content review SLA:** NWM commits to a 5-business-day review-and-revise loop on any content piece flagged by Test Premium.
2. **Paid spend cap:** Monthly paid spend capped at \$8k unless explicitly increased in writing by managing partner.
3. **Attorney-departure clause:** If an attorney featured in NWM content moves to a competitor, NWM commits to a 14-day content takedown/refresh.

- One-time setup fee: **USD \$999**, billed with the first invoice.
- AEO Audit credit:** \$997 paid for the audit on 28 April 2026 (Invoice NWM-2026-0037) is credited toward the first invoice. First invoice net of credit: \$2,992.
- Paid advertising spend is passed through at cost. NWM charges a 12% management fee on ad spend (\$500/month minimum). Monthly paid spend capped at \$8,000 unless increased in writing by Client.
- Annual pre-pay discount available at any time: 12 months for \$30,500 (15% savings).

3 · TERM & TERMINATION

4 · FOUNDING CLIENT GUARANTEE

If, during the first 30 days, NWM does not deliver the minimum qualified leads agreed in writing during onboarding, NWM will refund the first monthly retainer (\$2,990). The setup fee is non-refundable. This

guarantee is the Client's sole and exclusive remedy for shortfall in the 30-day window.

4A · PREMIUM SERVICE COMMITMENTS

1. **Content review SLA:** NWM commits to a 5-business-day review-and-revise loop on any content piece flagged by Client.
2. **Paid spend cap:** Monthly paid spend capped at \$8,000 unless increased in writing by Client's Managing Partner.

NWM retains ownership of its CRM platform, AI prompts, internal methodology, and any tool or framework used to produce deliverables. NWM may use anonymized performance data ("we helped a personal-injury firm in the Midwest...") for marketing without naming Client.

6 · CONFIDENTIALITY

Each party will hold the other's confidential information in strict confidence and use it only for the purpose of this engagement. The mutual NDA dated 6 May 2026 is incorporated by reference.

7 · LIMITATION OF LIABILITY

NWM's aggregate liability under this Letter will not exceed the total fees paid by Client in the three (3) months preceding the claim. Neither party will be liable for indirect, incidental, or consequential damages.

8 · GOVERNING LAW & DISPUTE RESOLUTION

This Letter is governed by the laws of the Republic of Chile. Any dispute that cannot be resolved through good-faith negotiation within 30 days will be resolved by binding arbitration administered by the International Centre for Dispute Resolution (ICDR) under its International Arbitration Rules. Arbitration will take place in English, with proceedings conducted virtually unless both parties agree otherwise.

9 · ENTIRE AGREEMENT

This Letter, together with Proposal CMO-2026-0048 v2 dated 8 May 2026 and the mutual NDA dated 6 May 2026, constitutes the entire agreement between the parties. Amendments must be in writing and signed by both parties.

What makes Premium close at higher rates

1. **Self-qualification via \$997 audit.** Tire-kickers don't pay \$997. By the time they're at Stage 2, they're real.
2. **Audit shows competence.** The 18-page report demonstrates analytical depth — no further "proof of work" needed.
3. **Audit credit removes objection.** The "I already spent \$997" sunk-cost works for NWM at the upgrade decision.
4. **Synchronous proposal call kills objections live.** Three questions in one call vs. three async email threads over a week.
5. **4-partner co-sign creates accountability.** Once all partners sign, individual buyer's remorse can't unwind the deal.

The Premium playbook in one line.

Sell the audit, deliver the audit, let the audit do the selling, close on a synchronous call with all decision-makers, ship within 7 days.
